## DDI takes flight with Byrd And The Bees

30 October, 2014 | By [Jeremy Kay](#)

**EXCLUSIVE:** Double Dutch International (DDI) heads to the AFM with the coming-of-age story starring Tracy Spiridakos, Jonathan Rhys Meyers and Maksim Chmerkovskiy.

Finola Hughes directs *Byrd And The Bees*, about an emotionally vulnerable aspiring romance writer who sets off to meet the father she never knew on his Scottish estate.

Christine Fry and Shannon Lamarche of QOA Entertainment produce alongside Sandy Sfeir.

"Starring the up-and-coming Canadian Tracy Spiridakos and the Irish Jonathan Rhys Meyers, this a film with a dose of international flavor," said DDI president Jason Moring.

"Both funny and sweet as honey, *Byrd And The Bees* is a universal film sure to put a smile on audience's faces."
